.... well for sure Veolia North will settle NOW.

Valet Parking !!! That's the key ---- [hey]... this looks like harassment of VNA... WTF. **In my humble opinion.... Mr. Stern's conduct NOW has reached a curious point... NO different that IF the Veolia North folk were to file MULTIPLE and duplicate copies of Mr. Stern's utility bill -- - WOW.**

How does this (said HOTEL stuff --- with exception of letting everyone know WHERE the Veolia Folk may be staying during the upcoming retrial [e.g. kind of weird... seems Mr. Stern should be VERY careful here.... **this sort of thing could cause some sort of STALKING event against the Veolia Folk (e.g. NOT good at all here)** even remotely relate to the Bellwether #1 trial? Well... I guess NOW Mr. Stern wants the court to make the Veolia folk sleep in their cars?

Maybe for Bellwether Trial #3... we can have a count of how many times VNA dudes flush the toilet or fart?

I can say this with much experience... My IBS makes me fart BIG time. Maybe I have been "enjoined" from e-filing because I too think Valet parking is cool (i.e. when I was able to drive)... **Yeah, I recall @ Christmas time in Northern California, there was a VERY popular mall that literally it was so crowded that the ONLY way to get into**

Nordstrom was to have VALET parking.
